We have three different curbside options:

Greenhouse Goodie Box
Small Greenhouse Goodie Box
Mighty Microgreen Bundle

All three of these options are available to purchase as a monthly subscription with a 10% discount. After you place your order, be on the lookout for a confirmation email within 24 hours.

Pick Up Procedure:

Pick up is between 2:30 and 5pm on Fridays outside the Vertical Harvest Greenhouse in our mobile VH van at 155 West Simpson Avenue in downtown Jackson.

To reduce the number of people arriving at the greenhouse and avoid unnecessary contact, we have divided the pick-up window into two groups.

***People with last names between A-J
please arrive between 2:30-3:45pm
People with last names K-Z
please arrive between 3:45-5pm***

Once you arrive please follow our no contact pick up procedure.

No Show:

If you are unable to pick up your box during your pick up window please call or email orders@verticalharvestjackson.com and we will do our best to accommodate your needs.

Due to heightened food safety measures, we are unable to take product back once it has left the greenhouse. If you miss your window, your greens will be left outside the greenhouse until 6pm, weather permitting. After 6pm any uncollected goodies will be donated to Hole Food Rescue.

No Contact Pick Up:

Upon arrival, call or text us with your name and make of your car. We will be standing by in the Vertical Harvest Van. Please stay in your car. We will bring your box to you and set it on the hood of your car. Once we are back in our van, you can exit your car and grab your greens.
